15th Emirates International UROLOGICAL Conference 2026

2 - 4 October 2026 | Dubai, UAE

Hosted by Emirates Urological Society

Industry Workshop & Hands-On Training

RIRS: FROM EXPERIENCE TO EFFICIENCY

Saturday, 3 October 2026 | 13:00 - 13:45 hrs
JW Marriott Hotel Marina, Level 2 | Room 1

Workshop Overview

Join this interactive session exploring how innovative technologies and optimized procedural workflows can enhance outcomes and efficiency in Retrograde Intrarenal Surgery (RIRS). Gain practical insights from clinical experience and participate in hands-on simulator training.

Learning Objectives

By the end of the workshop, participants will be able to:

- Understand the clinical experience and practical advantages of 6.3 Fr ureteroscopy in RIRS
- Explore the clinical application of the 6.3 Fr URS + 8.5 Fr UAS combination
- Identify key opportunities to optimize the RIRS procedural workflow
- Learn how the appropriate selection and management of:
  - Access tools
  - Irrigation systems
  - Suction devices
  - Stone retrieval instruments

  Can contribute to procedural efficiency
- Gain practical insights into achieving a more efficient and streamlined RIRS workflow

Workshop Director

Prof. Mohsen Elmekresh
UAE

Hands-On Simulation Training

Experience the latest techniques and workflow optimization strategies through guided simulator-based training designed to enhance procedural confidence and efficiency.

PROGRAM

13:00 - 13:10	Clinical Experience with 6.3 Fr Single-Use Flexible Ureteroscopy
13:10 - 13:15	From Experience to Efficiency: Optimizing the RIRS Procedural Workflow
13:15 - 13:45	Hands-On Training on Simulators
